## April 2023 Newsletter

### Spring is on its way!!!

\*\*\*\*\*

With the weather changing and daylight staying around a bit longer. Please make sure to walk your drip lines and watch for those pesky leaks! A small amount of water leaking can add up fast and cost you more on your water bill. Suspicious wet spots on the ground could indicate a leak.

**A friendly reminder- Please DO NOT FLUSH anything except toilet paper down the toilet. Napkins, paper towels and wipes (even the ones that say Flushable) can cause expensive repairs to your plumbing and septic system. Septic Systems are not equipped to handle these items. Your system may back up and fail.**

### **Toilet Tissue Only**

We know times are scary right now, but a failed Septic is a nightmare

We have a lot of information on our Website. Please visit [www.Stagecoachgid.com](http://www.Stagecoachgid.com) and check out our updated and informational website. You can also pay your bill FREE of Charge on our website. If you wish to pay online please setup a user name and password.

Everyone knows that we have had a lot of Snow/Rain this winter. Please be advised that even with that Stage 1 Water Conservation remains in effect.

**Please do not water between 10am-4pm.**

We all need to be good stewards of our water resources
