Summer is HERE!!– Please remember to water your plants, flowers, and trees early in the day when it is cool and not windy. This will allow them to absorb the water better. Also, be sure to walk your drip line and check for leaks, sometimes the little critters that call Stagecoach home can do damage to them. If you find that budgeting your water bill gets harder during peak watering months. An Equal Payment Plan may be helpful to you and your budget. Call the office @775-629-0849 for details.

If you suspect or see a leak, please call the office @ 775-629-0849. If you happen to see any suspicious activity at Fire Hydrants, Wells or Storage Tanks, please call the Lyon County Sheriff @ 775-463-6620
