

Stagecoach General Improvement District Income Survey

Stagecoach General Improvement District (SGID) is attempting to determine eligibility for state and federal funding for crucial upgrades to the water system and for funding strategies on these improvements. Because SGID does not serve all of Stagecoach, we are collecting this data to establish the average income level for only our customers without having to rely on the most recent census data for all of Stagecoach. This survey is critical in determining income levels of the customers we serve and will determine possible grant monies available along with up to zero interest loans. This survey is essential for community water system improvements. Please return this survey to SGID as soon as possible.

Personal information is not required, and all answers will be kept confidential

1. For Federal and State funding options on needed projects we must determine the number of people in your household and the income level of your family.

Please circle the number of persons in your family and check whether your family's income is above or below the figure shown for the size of your family.

<u>Size of Family</u>	<u>Total Family Income</u>	<u>Below</u>	<u>Above</u>
1	\$19,800	_____	_____
2	\$22,650	_____	_____
3	\$25,450	_____	_____
4	\$28,300	_____	_____
5	\$30,050	_____	_____
6	\$31,850	_____	_____
7	\$33,600	_____	_____
8	\$35,400	_____	_____

2. Many federally funded projects involve gathering information about handicapped, minority or elderly persons. For this reason, please complete the following:

Female Head of Household _____ Head of Household _____ Elderly _____
 Handicapped _____ Black _____ Hispanic _____ American Indian _____
 Asian _____ Alaskan Native _____ Native Hawaiian or other Pacific Islander _____

Thank you for your assistance,
 Stagecoach General Improvement Staff
