Summer is HERE!!– Please remember to water
your plants, flowers, and trees early in the day
when it is cool and not windy. This will allow
them to absorb the water better. Also, be sure to
walk your drip line and check for leaks,
sometimes the little critters that call Stagecoach
home can do damage to them.

Equal Payment Plan is Available (EPP)

If you find that budgeting your water bill gets
harder during peak watering months.
An Equal Payment Plan maybe helpful to you
and your budget. Call the office @775-629-
0849 for details.

If you suspect or see a leak, please call the office @
775-629-0849. If you happen to see any suspicious
activity at Fire Hydrants, Wells or Storage Tanks,
please call the Lyon County Sheriff @ 775-463-6620.

Money Saving Landscaping Tip When
designing your yard and planning you should
try to look for drought tolerant lower water
consuming vegetation, there are many
available that with a little creativity can make
your yard the envy of the neighbors. Planting
trees, bushes and flowers that are native to our
area can help reduce water consumption and the
long-term cost of maintenance.
