Please be advised!

We ask that your **PLEASE** comply with the conservation plan, so we are not mandated to
implement assigned watering days or limit usage.

Watering is PROHIBITED between 10am-4pm.

Summer is here!

Please remember to water your plants, flowers and trees early in the day when it is cool and not
windy. This will allow them to absorb the water better. Also, be sure walk your drip lines to check for
leaks. Sometimes the little critter that call Stagecoach home can do damage to them.

Please make sure you are aware of the location of your customer shutoff valve!

If not, you can call the office during business hours & we will send a friendly staff member out to show
you. If you have a customer shut-off and call a technician out after hours or on the weekend you will
incur an after hours call out fee.
